CERC 2020

Call for Papers

Version 1.6 from May 20, 2020

Call for Papers

Celebrating Excellence in Research

The multidisciplinary Collaborative European Research Conference (CERC) is an annual event that takes place since 2011 when it was initiated by University partners across Europe. It brings together researchers from a wide range of disciplines in order to foster knowledge transfer, inter-disciplinary exchange, and collaboration.

The conference will take place online.

Please don't hesitate to submit your paper.

We are closely monitoring the current situation and keep you informed of our decision in time.

We invite researchers to submit extended abstracts or full papers and to attend the conference. We especially welcome early stage researchers to present new research topics.

In previous years, contributions came from computer science, biology, bioinformatics, business information systems, marketing, IT-security, civil engineering, education, psychology, multimedia, art, etc. Contributing students came from Ireland, Germany, England, Wales, Northern Ireland, Norway, France, USA, etc. Accepted contributions will be published in digital proceedings with an ISSN number. A prize for the best paper will be awarded during the conference closing on September 11, 2020.

This year, we will invite IEEE Distinguished Lecturers to deliver Keynotes. Eight tracks have been confirmed to run in the conference:

1. Industry & Start-ups
2. Autonomous Mobility
3. Natural language processing and its applications
4. Cyber security and privacy
5. IOT and pervasive computing
6. Biomedical image processing
7. Systems biology and biomedicine
8. Big data analytics for Sustainable Society

An European research networking session will be held during the conference.

Important dates

- **Submission Deadline** (extended abstracts and full papers): June 30, 2020
- Notification to Authors July 31, 2020
- Submission of camera-ready abstracts / papers: August 20, 2020
- Submission of during the conference selected full papers – camera-ready: October 31, 2020
- **Conference registration deadline:** August 10, 2020
- Conference: September 10 – 11, 2020

Conference social events

Awarding ceremony and a virtual come together on Friday evening, September 11, 2020.

Registration fees

Regular Author and Guest Registration: £120

Student Registration: £80

The registration fee includes proceedings and the conference programme and social events.

The link to the paper submission site as well as registration and the conference programme will be made available on the webpage: www.cerc-conference.eu
